## ***ENGINEER'S REPORT.***

~~~~~

In submitting our annual report we are glad to report that the loss by fire the past year was very small, there were few alarms and the only damage we note was Mrs. Rideout's fire Feb. 23rd., loss \$125 fully insured.

There were two stoves bought for the Engine House.

The cylinders of Carni bored; the two engines, and all the fire apparatus, are in good order.

We find the hand chemicals do good work, and recommend the purchase of a few more of them.

W. H. BARNES, SEXTON.

REPORT OF SCHOOL BOARD.

For the year ending Feb. 15, 1904.

At the Annual School meeting in March 1903, Miss Maria L. Moore was re-elected as member of the board for three years.

The board organized with H. L. Emerson as Chairman, Geo. E. Bales as Treasurer, and Miss Maria L. Moore as Secretary.

We think during the past year, notwithstanding the various changes that have taken place, that our schools have maintained their high standard.

The village schools under the efficient management of the Principal Mr. Henry H. Pratt have made good progress.

Our teachers have been faithful and untiring in their work and have had the co-operation of and encouragement from the parents and friends of the schools.

We were fortunate in securing the services of Miss Jessie M. Hagar for the musical department; good work is being done. Music in our public schools seems to have been a success, and has evidently come to stay.

Our outside or ungraded schools, considering the many changes in teachers have made good progress.

The present winter has been a very cold one, our high school building with the exception of one or two mornings with the mercury way below zero, has been nicely heated. Our Janitor has worked early and late in his

efforts to please the teachers and scholars and has done his work to the satisfaction of all concerned.

We are sorry to have been obliged to accept the resignation of Mrs. Pratt from the Grammar school.

We thank the citizens of the town for their hearty support during the past year and their continued interest in our schools.

Respectfully submitted,

H. L. EMERSON,

For the Board.
